

Planning Commission

Attn: Jim Newland

Commissioner Newland,

I am on an interest list to purchase a home in The Phair Company's new La Mesa Summit Estates project. The homes will be very nice.

Amenities include: Construction of a park for the homeowners, a security gated entry, eco-friendly design and construction, fantastic 360-degree views of the ocean, downtown San Diego, Mt. Soledad, Cowles Mountain, the Cuyamaca Mountains, and Table Mountain in Mexico.

Please approve the La Mesa Summit Estates homes.

Sincerely,
